Bob Grady.

7:05 - Captain, Al Chandler, 757-619-3939 – came to offer assistance with any questions and explained the policing in our area. No criminal report, however The 400 block of Highland did experience fighting and one death from a handicap resident.

Captain was engaging and passed out business cards for easy contact to him.

A Question was ask by Terri: How willing is the P.D. to enforce the Law and support the community in feral cat concerns in our community?

Another question about trespassing and litter control in other community areas affected.

An option was razor wire, Landmines and camera's.

We thanked Captain Chandler for his time as he left.

Bob Grady gave the Treasurer Report: Having a current balance of \$433.10.

The hat was passed for collection of pocket change to add to bank fund.

405 Highland Ave. (Elderly) Ms. Bradshaw needs help cleaning. Must be ok with CATS" she has many!!

Officer Price came later to offer engaging conversation and crime in the area. Most gang members are juveniles and in jail, crime is always on the rise when the weather warms. Lock auto doors at night.

Traffic and speeding on Katherine St. was addressed. All traffic concerns were directed to traffic engineering. A question arose about shooting foxes on Katherine St. Neighbors spotted foxes in neighborhood recently.

James asked: for any NEW BUSINESS to please stand and speak with direct comments to everyone and not to speak amongst each other because everyone does not hear the discussions. It is difficult when everyone is talking at the same time.

Robert suggested a clean-up effort in the circle again this year to clean-up trash. A clean-up effort was scheduled for Saturday March 4, between 9am -12pm. All worker are volunteer, so we appreciate any time spent serving. Terri will call city for pick-up and orange bags for the event.

Other community ideas maybe discussed later such as cook-outs / new-letters/ other events.

Next meeting is March 6, 2017 VFW building. We will resume the meetings at the Park on April 3rd for summer time.
