Minutes from the February meeting were accepted as read by KCL secretary Sherry Orrel. Treasurer, Bob Grady reported a balance of \$273.82 which included a \$5 donation from the Bailors.

James introduced Suffolk police officers Sessoms and Whitaker. They reported that crime in our area was down last month (partially due to snow?) Officers will be wearing body cameras to keep pace with today's world as well as to be more accountable for their actions.

Ron Pier thanked the SPD for a job well done in recovering goods stolen from their property.

D J McGuire has provided the KCL with updated bylaws which were unanimously accepted by all members present. Suggestions for amendments can be emailed to djmcguire_@yahoo.com

Ron gave us a quick overview of the webpage Nextdoor Kingsboro. It is open to members of our neighborhood who wish to join. They can post profiles, comments, news, alerts, want ads, etc.

James will follow up on trying to secure cleanup of the area on the south side of Constance between the bike path and Katherine Street as well as a crossing control button at Constance and Katherine.

Replacement of deteriorating signs in Coulbourn Park is pending budget approval.

An announcement was made regarding the performance by The Rocky Hock Opry, which is sponsored in part by Meals On Wheels.

The meeting was adjourned at 7:25. The next KCL meeting is scheduled for 7 pm on April 6th at Coulbourn Park weather permitting.

Respectfully submitted Sherry Orrel, secretary KCL
