

The meeting was brought to order at 7 p.m.

Anne Consolvo arrived and we all introduced ourselves.

Karen Scott read the minutes from the last meeting and they were accepted.

Bob Grady read the Treasurer's report; \$450.82 was our final balance after the Community Membership Drive expenditures were met.

The question was raised if we wanted to have a police officer at every meeting. We all decided every now and then unless there was an issue.

Under old business:

The position of secretary remains open: Allen Clements volunteered, James Blair nominated him, the vote carried.

Under new business:

We discussed how often to have Suffolk police officers attending the monthly meetings. We voted against every meeting in favor of "as issues arise".

We discussed the construction on Katherine Street. James Blair said they were putting in a forced water main.

We discussed traffic issues regarding Katherine St. and Lakeside. James Blair will discuss the issues with our City Councilman Donnie Goldberg and report back.

We had a great Community Cookout and there was interest shown in having another one in October. We voted that October 25<sup>th</sup> would be our next Community Cookout from 3p.m. - 6p.m., and that we would have hot dogs and hamburgers. Volunteers for the cookout so far are:

James Blair

Ron Pier

Bob Grady

Karen and Darrell Scott

Patti and David Blair

The meeting adjourned at 7:30p.m.

Karen Scott/Allen Clements
