

Kingsborough Civic League

Meeting minutes

May 2, 2016

The meeting was called to order at 7:01 p.m.

Allen Clements read the minutes of the last meeting, they were voted on and accepted. The treasurer's report our balance is still 425.82. It was voted on and accepted.

Old Business

James opened the floor to old business. Terri stated that she had met with the property **manager** of the Planet Fitness shopping center. He intends to put a fence up. Terry suggested that they clean out the watershed areas before they put the fence up.

New business.

James asked if there was any new business :

There was concern about the trash cans that had not been emptied here at the park, the table tops look pretty bad and we would like the city to refurbish them. Ron was very concerned that the seat was too close to the ground. Terri suggested we might want to have puppy clean up bags at the park. Allen suggested we spend some of our funds on a margarita machine which started a discussion on refreshments for our meetings. Terri had previously discussed a donation box for coffee at the American Legion building. We decided to continue that idea. To start things off several people donated a total of \$7.70 . There was discussion that the police are still calling to come out to our meetings. There was further discussion and we decided that they should come at least once a quarter and they should come to the June meeting. It was also mentioned that it would be nice if they could bring us information about our area and not just generalized info on keeping your doors locked.

There being no further business James called the meeting to adjournment at 7:26.
